AUTOMOTIVE TRAILERS

WHY BRIAN JAMES TRAILERS?

SMOOTH RIDE

Designed for long distance and heavy loads, our running gear features rubber torsion axles for stable, effortless towing, low maintenance sealed-for-life bearings and auto-reverse brakes for increased driving safety.

MARKET LEADERS

Our reputation for quality and reliability has made us the go-to manufacturer for the automotive logistics and motorsport industries for over 40 years.

PERSONALISATION

All of our trailers are highly configurable with an extensive range of options enabling you to create a trailer that's perfect for you.

STRONG RESIDUAL VALUES

Our reputation for quality has ensured that our trailers have strong residual value. As well as working hard, our trailers hold their value for many years.

HIGHER STANDARDS

There is a high level of standard specification across our automotive ranges including spare wheel, locking coupling head and rear loading ramps.

NO HIDDEN CHARGES

All our trailers come ready for use without the need for additional options and with delivery to your local dealer included in the price.

DEALER SUPPORT

Our dealers are chosen for their high levels of customer service and aftermarket support, which combined with excellent product availability through our network, means you can find a trailer that is right for you.

AVAILABILITY

Good levels of stock available immediately, or the ability to 'make to order' your exact specification with a short lead time.

PRICE PROTECT

Our 'Price Protect' promise guarantees the price at time of order (subject to agreed deposit), even if prices rise before delivery.

5 YEAR WARRANTY

All our trailers come with a 5 year chassis warranty, giving you the confidence that they are of the highest quality; the reason why they are chosen by professional users around the world.

CHOICE OF COLOURS

Our trailers are configurable in a choice of colours where you see these logos:

5 colours

2 colours

Colours available: Red, Anthracite, Blue, Black, White and Yellow

RACE TRANSPORTER 6

 2 colours

with fuel can storage

Lockable storage box can carry up to 3 x 20ltr jerry cans

with a tyre rack

For storage of multiple spare wheels and tyres

with an electric winch

For easy loading. 4,500 lb pulling capacity and remote control

ABOUT US

Brian James Trailers designs and manufactures trailers up to 3.5 tonnes gross weight that are built to perform to the highest standards with an emphasis on quality, innovation, service and performance. All our trailers are designed and manufactured at our factory in Daventry, Northamptonshire, in the heart of the UK's motorsport region.

As well as our car transporter range, we also manufacture a wide range of commercial trailers. Our rugged plant and general-purpose trailers provide safe and secure transport with quiet towing characteristics for diggers, dumpers, excavators, access platforms and other machinery.

Whether it's in our car transporters or commercial trailers, our values shine through, and we pride ourselves on the strength, reliability and aesthetics of our designs. In a word, it is "quality" that we strive for in everything that we do.
